Dear Andy,

Thanks for your responsible and thoughtful attention to our home. As always, we are delighted at the competency and care your firm demonstrates in the work you do. At some point when you have some time, I'd like to consult with you about a closet project on the second floor and a conversion of a bedroom to a study/writing room on the third floor.

I'm glad things are going well for you. I am enclosing a check for the paint.

Christie
